

## Guidelines for Building Use at Methodist Temple

Because of a commitment to serving Jesus Christ, Methodist Temple UMC has committed itself to a ministry of hospitality. We are pleased to offer our building for your use. In an effort to maintain good communication with the groups who use our building, the following guidelines are set forth:

- I. **Process:** Please read this material carefully and be sure you understand all the terms and conditions. The application process is as follows:
  - a. Individuals or groups desiring to use our facilities should contact the Church Office to see if the desired date is available.
    - i. Special meetings, activities and programs of the boards or other church organizations take priority over non-church sponsored activities, *provided the board or ministry has communicated the need with the Church Office in a timely manner.*
  - b. If the date is available, a Building Use Application (with set-up sketch and needs identified) must be completed and returned to the Church Office.
  - c. Once the application has been approved, a Building Use Agreement will be signed and the fee collected. An event will not be considered “confirmed” on the calendar until the Church Office has both the agreement (signed by Applicant and Director of Operations) and the usage fee in hand.
    - i. The Board of Trustees reserves the right to deny the use of the church facilities to any individual or group outside of Methodist Temple.

## **II. Prohibited Activities:**

- a. The church may not be used for any of the following:
  - i. Any purpose that is not consistent with the mission and ministry of Methodist Temple United Methodist Church.
  - ii. Fundraising that is not directly related to the ministry of Methodist Temple UMC (including, but not limited to, fraternity / sorority groups, home parties [such as Tupperware, Pampered Chef, etc.], etc.).
  - iii. Serving or consuming alcoholic beverages, tobacco products, drugs or any other illegal activities.
  - iv. Gambling.
  - v. Political groups (with the exception of when the building is used as a polling center for state and federal election activity).
  - vi. Any activity not specifically designated in the Building Use Application.

- b. Groups may not use church equipment, instruments, furniture, dinnerware, appliances, or audio-visual equipment without the prior approval of the Director of Operations, and unless it has been designated on the Building Use Application. *When the sound system is to be used in the Sanctuary, a Sound Technician (supplied by Methodist Temple) will be required, and an additional fee will be charged to the applicant.*
- c. Private advertising and solicitations or sales on church property.
- d. Decorating the church facilities using nails, screws, staples, cellophane adhesives, etc. is prohibited. AT NO TIME SHALL ANY EXITS OR EXIT SIGNS BE COVERED OR OBSTRUCTED.
- e. No animals of any kind (excluding service animals) are permitted within the church facilities.

### **III. Fees:**

- a. The Board of Trustees shall establish all rules and fees (see attached schedule) for the use of the church facilities. The Trustees shall also determine the conditions of use of church property (damage, liability, etc.).
- b. Usage fees must be paid according to the agreement or building use may be terminated.
- c. Fees must be paid in the Church Office (by check or cash; credit cards are not accepted).

### **IV. Cancellation:**

- a. Organization should notify the Church office if it is unable to use the building at the agreed upon time. Forty-eight (48) hours cancellation notice must be given in order to avoid being assessed a \$50 "Failure to Show" fee. Payment of the "Failure to Show" fee will be taken from any usage fees already paid, and the remainder will be refunded to the Organization. The "Failure to Show" fee must be paid in full before Organization will be allowed to use our facilities in future.

### **V. Damage and Insurance:**

- a. The person obtaining the facility usage will be responsible for the general conduct of the activity and enforcement of the rules and regulations governing the use of Methodist Temple's facility.
- b. The Organization or individual who is granted use of the church facilities will be held responsible for reimbursing Methodist Temple for any loss or damage to church-owned property caused by such use. Also, should the event run longer than is noted on the Agreement, there may be an additional fee (at the discretion of the Director of Operations or the Board of Trustees) for keeping staff longer than scheduled.
- c. Organization agrees to hold harmless, indemnify and defend Methodist Temple (including Methodist Temple's agents, employees and representatives) from any and all liability for injury or damage, including, but not limited to, bodily injury, personal injury, emotional injury or property damage which may result from any person using the above-described premises, its entrances and exits, and surrounding areas, for Organization's purposes, regardless of whether such injury or damage results from the negligence of Methodist Temple (its agents, employees and representatives) or otherwise.
- d. At Methodist Temple's discretion, Organization will provide a certificate of insurance to Methodist Temple at least fourteen (14) days prior to the date upon which the Organization begins to use the above-described premises. The certificate of insurance will indicate that Organization has made Methodist Temple an "additional insured" on Organization's policy with respect to the use by Organization of the above-described premises, and

Organization promises and warrants that it carries liability insurance with a minimum liability occurrence limit of \$1,000,000.

## **VI. Kitchen Use**

- a. Anyone using the kitchen will be expected to leave it in a clean, sanitary condition (this includes stove, sinks, countertops and floors).
- b. Food should not be left in the refrigerators, freezers or on the counter. Leftovers should be taken with you or discarded.
- c. Organization or individual will furnish their own consumable supplies (plates, plastic ware, cups, etc.).
- d. Commercial catering services (or individuals providing such services) are required to furnish their own supplies and utensils. Use of the sinks, refrigerators, and work surfaces is permitted.
- e. Use of the dishwasher is prohibited.
- f. Breakage of equipment or dishes must be reported to the Church Office or Custodial staff on duty. Cost of replacement or repair of the broken item is the sole responsibility of the Organization or individual using the facility.
